No.2735/46-435-F. Bombay Castle, 28th January 1949.

Subject:- Absorption of State Servants.

Reference your letter No.A.D.M.3/767, dated the 3rd January 1949 on the above subject.

2. Government is pleased to accept your suggestion that the Chief Administrators may be authorised to absorb into Government service, in relaxation of the conditions in respect of educational qualifications laid down in the Bombay Civil Services Classification and Recruitment Rules, non-matriculate clerks from states integrated with or merged in this Province if they consider such clerks to be really efficient and fit to be taken up in Government service.

3. As regards the fixation of seniority of State Servants vis-avis Government Servants, the question is under the consideration of Government and orders will issue in due course.

For Chief Secretary to the Goverment of Bombay,
Politican and Services Department.

Copy of a letter from the Commissioner, Central Division, Poona, No.A.D.M.3/767, dated the 3rd January 1949.

Subject:- Absorption of State Servants.

I enclose a copy of the Collector of Poona'a letter No. A.D.M.809/STB, dated 14/16-11-1948.

2. I have passed orders in regard to the Absorption of the 9 servants of the Bhor State mentioned in the Collector's letter referred to above -vide No. A.D.M.3/767, dated 31-12-48. copy enclosed.

3. The Collector has raised the following two points:-

(i) Relaxation of educational qualifications in respect of State servants as clerks; and

(ii) the fixation of seniority of the State servants vis-avis Government servants.

4. As regards (i) the minimum educational qualifications prescribed for recruitment as clerks in the Revenue Department is the Matriculation or any other equivalent examination and a speed of at least 30 words per minute in typing. The absorption of the State servants into clerical cadres of Government service does not necessarily mean fresh appointment and hence the above ducational test cannot be applied to the.....

the State servants. Such a condition would among other thing operate harshly on the State servants. I agree with the Collector of Poona that there should be no objection to absorbing non-matriculate clerks from the States into Government service if they are otherwise fit. I would therefore suggest that the Chief Administrators may be authorised to absorb into Government service non-matriculate clerks from the States merged in this Province if they consider such clerks to be really efficient and fit to be taken up in Government service.

As regards (ii) I do not agree with the Collector of Poona's suggestion of giving credit for the past service in the ration of 1:2/3 etc. I suggest that the pay of the State servants as it stood on the date of absorption may be fixed in accordance with the principles laid down in rule 8 of the Bombay Revision of Pay Scales Rules, 1948, the term "present pay" being interpretend to mean the pay drawn by the State servant in the scales in force in the States on the date of absorption into Government service. The pay so fixed shall form the basis of seniority of the State servants vis-a-vis Government servants.

VERY URGENT

No. States/ 1845 of 1949.

Poona-1, 16th February 1949.

To,

The Chief Administrator,
Deccan States, SANGLI.

Subject:- Fixation of Pays of the Non-Gazetted State Servants.

Reference: Government Resolution, Political and Services Department No. 2735/46, dated the 7th September 1948.

2. With the integration of the Miraj, Kurundwad and Jamkhandi States with the Province of Bombay, I have taken over the management of the Water Works at these places and the establishment working thereunder with effect from the dates noted against each :-

1. Miraj ... ... 11-8-1948.

2. Kurundwad)
3. Jamkhandi) ... ... 1-9-1948.

It is not proposed to discharge any of the State Servants thus taken over as I consider them essential for the running of the works. It is also observed that most of them are bourne on the permanent pensionable service. Having thus taken over the Water Works and Establishment under my Circle, I propose to regulate their pays with effect from the dates of integration, in the corresponding scales of pay sanctioned for the Provincial Establishment in accordance with para 8 of Government Resolution P.W.D. No. 6567/33-I, dated 15-1-1948.

The accompanying statements ~~of the~~ give in detail the names of the personnel with their designations, their pay and the proposed pay in the sanctioned pay scales. Please indicate your approval to this course atonce, so that I can arrange to draw the difference of their salaries and pay them before the end of the current financial year. This is necessary as Government in the Public Works Department have specifically laid down, that implementation of the absorption of the State Servants and the regulation of their pays in the corresponding Provincial Scales, should be done early in consultation with the Chief Administrators concerned. I shall, therefore, be glad if you will please approve of my proposal atonce and return the statements duly countersigned.

3. The case of Mr. G.G.Puranik, at present designated as Mechanical Engineer, is under consideration for the following reasons :-

His substantive pay is borne by the regular P.W.D. He also looks to the running of the Jamkhandi Water Work for which he receives an allowance of Rs. 20 and a conveyance allowance of Rs. 25/- P.M. It is proposed to absorb him as a full time servant in my Circle and until this is done the fixation of pay in his case does not arise so far as my Circle is concerned.

2.....

4. With the fixation of the pay in the revised pay scales, the incumbents will not be entitled to any conveyance or Travelling allowances or any other concessions in kind or cash that the relative States might have been extending to them in the past. The cases of T.A. will be considered on merits.

R A M D U R G ,

9th September 1948.

To

The Chief Secretary to the Government of Bombay,
Political and Services Department,
Secretariat, Bombay.

B O M B A Y .

Respected Sir,

I, the under-signed, V. B. Kulkarni, P.W.D.Accountant of Ramdurg, humbly beg to lay before your honour the following few lines for favour of kind consideration, as my services will now be absorbed in the Bombay Province - the State being merged:

I have put in 16 years service uptill now in the various Departments of the State mainly in P.W.D.branch - as follows -

1. From 1932 to 1936	-	P.W.D.Store clerk.
2. From 1936 to 1938	-	P.W.D.Accountant.
3. From 1939 to 1941	-	Treasury Pre-audit clerk and State Bank clerk.
4. From 1941 to 1942	-	P.W.D.Cashier.
5. From 1942 to 1944	-	Audit Office clerk.
6. From 1944 onwards	-	again as P.W.D.Accountant.

I first entered in State service in the year 1932 when I was 21 of my age, having passed the Matriculation Examination in the year 1930.

In the year 1933, I was ordered to be trained in P.W.D. under a retired P.W.D.Accountant of the Bombay Province,- (extract of the order attached herewith)-. After the training period was over, I was examined by the State Engineer ~~xfxxxx Rxxkxyx Pxxxxxx~~ and the Auditor in the P.W.D.Accounts and rules of the Bombay Province. I am proud to say that I got through the examination getting 70% of the marks. Kind perusal of my Service Book will convince this.(Extract of the entry in S.B. accompanies). In the year 1936 the retired account-ants services were discharged and I was appointed to that post. ---

post. I worked as P.W.D.Accountant for three years. In the year 1939 due to general retrenchment the post of the P.W.D.Accountant was abolished and I was transferred to other Departments - which was an usual and common procedure in the State.

Again in 1944 the post of P.W.D.Accountant was created and myself, being found able hand was appointed to the said post. I beg to state that the very fact of entrusting the accounts of the Malaprabha Irrigation Project/with me now under construction, will convince your honour that I can ably work as P.W.D.Accountant in any Divisional Office independently.

Now, my humole prayer is that, my approved services of the last 16 years should be kindly taken into account and especially my special efficiency in P.W.D.Accounts and my seniority be favourably considered and as such I may be appointed as P.W.D.Accountant, only.

For this act of kindness, I shall ever remain gratoful.

I beg to remain,

Sir,

Your most obedient servant,

V.B.Kulkarni

MEMORANDUM.

With reference to Goverment Resolution, Revenue Department, No.P.435, dated 3rd March 1949 all departments * of the Secretariat are informed that while passing final orders regarding absorption of Dangs servants it should be borne in mind that the position of the Dangs servants is better than that of the State servants as their scale of pay were fixed by an administration which was directly working under the control of the Political Department of the Government of India. Care should therefore, be taken to see that while fixing their grades and seniority, they do not suffer financially, personal pay being given wherever necessary.
